

SELf

Social Emotional Leadership Foundations

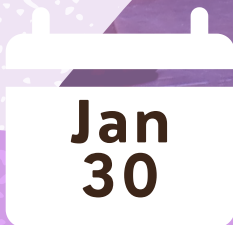

What is SELf?

SELf is a transformative leadership series that focuses on shaping your own vision and skills to, in turn, improve your school's culture. Discover new tools, strategies, and resources to help your school community thrive.

"Through the SELf program, I have discovered more about my personal strengths. I have also learned many unique strategies I can directly implement into my classroom to build our classroom community focusing on student autonomy, belonging, and competence."

-Megan Genens
Teacher, WPES
